Decker Wealth Management Joins Focus Partner Firm Quadrant Private Wealth

NEW YORK, NY / ACCESSWIRE / February 24, 2020 / Focus Financial Partners Inc. (NASDAQ: FOCS) ("Focus"), a leading partnership of independent, fiduciary wealth management firms, announced today that David Decker and his team (the "Decker Group") have joined Focus partner firm Quadrant Private Wealth Management, LLC ("Quadrant").

The members of the Decker Group collectively have more than 60 years of experience providing wealth management services to high net worth individuals, families and business owners. They will serve clients from both Quadrant's headquarters in Bethlehem, Pennsylvania and a newly established Quadrant location in Sarasota, Florida.

For Quadrant, the Decker Group's differentiated approach to equity investing, together with its newly established location in Southwest Florida, will create new growth opportunities. This is part of Quadrant's strategy to expand its geographic presence beyond its core market in the Lehigh Valley area of Pennsylvania, while deepening its investment capabilities and bench strength.

"We created Quadrant to provide clients with objective wealth management and financial planning advice designed specifically around their individual financial goals," said Jason Cort, President and a Founding Partner of Quadrant. "We believe that exceptional advisors are drawn to our firm because of our commitment to delivering independent, client-centric financial services. David Decker and his team are an example of this and we are excited to welcome them to the Quadrant family."

"We are pleased to have helped facilitate Quadrant's first transaction since becoming a Focus partner firm in 2014," said Rudy Adolf, Founder, CEO and Chairman of Focus. "The Decker Group will help Quadrant increase its geographic reach and expand its base of talented advisors. This transaction exemplifies the value that we add to our partner firms through great talent recruitment and demonstrates how our scale and reach benefit our partner firms as they broaden their capabilities and accelerate the growth of their businesses."
