

## Focus Financial Partners Announces Launch of Secondary Offering of Class A Common Stock

**NEW YORK, NY / ACCESSWIRE / February 25, 2021** / Focus Financial Partners Inc. (NASDAQ:FOCS) ("Focus") announced today that it has launched an underwritten secondary offering of 7,000,000 shares of its Class A common stock. This amount consists of 6,536,327 shares being offered by certain selling stockholders of Focus affiliated with Kohlberg Kravis Roberts & Co. L.P. and Stone Point Capital LLC (the "selling stockholders") and 463,673 shares being offered by Focus (the "Offering") on behalf of certain of the existing unitholders of Focus Financial Partners, LLC ("Focus LLC"), its operating subsidiary. The selling stockholders intend to grant the underwriters a 30-day option to purchase up to an additional 1,050,000 shares of Focus' Class A common stock.

Focus will not receive any proceeds from the sale of the Class A common stock offered by the selling stockholders. Focus intends to contribute the net proceeds from the sale of the shares of Class A common stock that it is offering to Focus LLC in exchange for newly issued common units in Focus LLC. Focus LLC will use such contributed amount to purchase units in Focus LLC from certain unitholders, including certain of Focus' employees and principals of its partner firms, but does not include Focus' executive officers and directors, and in connection with such purchase, Focus will cancel the corresponding shares of its Class B common stock, as applicable.

All net proceeds from this offering will be paid to the selling stockholders and to existing Focus LLC unitholders in exchange for Focus LLC units. This offering will not have a dilutive impact on existing shareholders.

Goldman Sachs & Co. LLC, BofA Securities, Inc., KKR Capital Markets LLC and SPC Capital Markets LLC are acting as joint book-running managers for the Offering. A shelf registration statement relating to these securities has been filed with the U.S. Securities and Exchange Commission ("SEC") and is effective.
