

Focus Financial Partners Announced that Oak Asset Management Will Join Partner Firm Vestor Capital, Increasing Vestor's Presence in the Chicago Wealth Management Market

New York, NY – November 2, 2020 – Focus Financial Partners Inc. (NASDAQ: FOCS) ("Focus"), a leading partnership of independent, fiduciary wealth management firms, announced today that it has entered into a definitive agreement under which Oak Asset Management ("Oak"), a registered investment adviser in Oak Brook, Illinois, will join Focus partner firm Vestor Capital ("Vestor"), based in Chicago, Illinois. This transaction is expected to close in the fourth quarter of 2020, subject to customary closing conditions.

Oak was founded in 2006 by Scott Stuth, together with Jay Sanders and Steve Blohm who are partners in PBC Advisors LLC ("PBC"), a local accounting firm. Oak provides investment management services to high net worth individuals and trusts and estates, as well as to pension and profit-sharing plans for clients and professional practices in the health care field. Following this transaction, Scott will join Vestor and will continue to work closely with Jay, Steve and their colleagues and clientele at PBC.

"After knowing Marty and Dennis for many years, I believe that Vestor is the right partner for Oak," said Scott Stuth, President of Oak. "This transaction will allow Oak to leverage Vestor's broad range of resources to expand the services we offer our clients. Equally important is having access to Vestor's team of professionals, who share a like mind-set when it comes to investment philosophy and client service. Joining Vestor will also enable us to establish a long-term continuity plan that ensures Oak's clients will always be well taken care of."

"Oak's fiduciary approach and commitment to clients has turned it into a very successful business," said Marty Buehler, President of Vestor. "This transaction will help expand our local presence with a partner that represents an ideal strategic and cultural fit for our firm. We are thrilled that Scott will be joining our team and we look forward to benefitting from his deep investment expertise and insights."

"We are very pleased that Oak will be joining Vestor, bringing us to 13 mergers on behalf of our partner firms year to date," said Rudy Adolf, Founder, CEO and Chairman of Focus. "This is Vestor's first merger since joining Focus in 2012 and will provide the Vestor team with a significant opportunity to broaden their presence in the greater Chicago area."

"This transaction is another example of how our scale enables us to deliver succession planning solutions for founders seeking to transition their businesses. Cultural fit is essential to the success of these transitions. The breadth of our partnership, our strong presence in the major wealth markets across the U.S and the diversity of our partner firms provide many high quality choices in terms of achieving a successful succession plan."
