

Stellar Capital Management To Join Focus Partner Firm HoyleCohen

New York, NY – July 30, 2020 – Focus Financial Partners Inc. (NASDAQ: FOCS) (“Focus”), a leading partnership of independent, fiduciary wealth management firms, announced today that it has entered into a definitive agreement under which Stellar Capital Management, LLC (“Stellar”), a registered investment adviser in Phoenix, Arizona, will join Focus partner firm HoyleCohen, LLC (“HoyleCohen”), based in San Diego, California. This transaction is expected to close in the third quarter of 2020, subject to customary closing conditions.

Stellar was co-founded in 2000 by Stephen Taddie and Richard Stern to provide sophisticated investment management services to high net worth individuals, and more recently 401(k) plan sponsors, across Arizona and on the West Coast. Steve and his team will leverage HoyleCohen’s scale and professional resources to provide broader investment management capabilities and other service offerings to their clients.

“Our team has focused on delivering strong investment portfolio management for the last twenty years,” said Stephen Taddie, Managing Partner of Stellar. “Over time, client needs have evolved to include services that we did not offer internally. Combining Stellar’s core strength with HoyleCohen’s breadth of services is a well-timed, prudent decision that addresses those expanding needs and deepens the bench of professional talent available to our clients.”

“It is a privilege to have Steve Taddie and the talented Stellar team join HoyleCohen,” said Mark Delfino, Managing Director and Chief Executive Officer of HoyleCohen. “Our firms are like-minded and share a passion for putting clients’ interests first. Stellar has deep investment management expertise that complements our core capabilities. This combination will allow us to offer an even more robust set of wealth management services to all our clients.”

“We are thrilled that Steve and the Stellar team will be joining HoyleCohen,” said Rudy Adolf, Founder, CEO and Chairman of Focus. “Stellar’s expertise in investment management, combined with the breadth of HoyleCohen’s platform, will unlock powerful benefits for the clients of both firms. Transactions like this further reinforce the value we offer to our partner firms as they benefit from our scale, intellectual capital and our leading M&A capabilities.”
